ACCOUNTANT'S REVIEW REPORT

To the Board of Directors of Crisis Pregnancy Centers of Santa Clara County:

We have reviewed the accompanying combined statements of financial position of Crisis Pregnancy Centers of Santa Clara County (a California Nonprofit Corporation) as of December 31, 2011, and the related statements of activities, functional expenses, and cash flows for the year then ended.

A review includes primarily applying analytical procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

The prior year summarized comparative information has been derived from the December 31, 2010 financial statements which were compiled by us, and our report thereon, dated March 1, 2011, stated that we were not aware of any material modifications that should be made to those statements in order for them to be in conformity with generally accepted accounting principles generally accepted in the United States of America.

CRISIS PREGNANCY CENTERS OF SANTA CLARA COUNTY
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011

NOTE A - Nature of Activities and Summary of Significant Accounting Policies

Nature of Activities

Crisis Pregnancy Centers of Santa Clara County (the Organization) is doing business as Real Options. Real Options is a pro-life counseling ministry and medical clinic, with three sites in Silicon Valley. Real Options was incorporated in 1981 in the State of California.

Program Services

The Organization serves over 3,000 women each year, providing pregnancy testing, information on abortion, carry-to-term support, adoption information, and sexually transmitted disease testing. Real Options is committed to meeting women's physical, emotional and spiritual needs. To that end, Real Options provides physical support in the form of maternity and baby clothing, baby furniture, counseling as needed, childbirth classes, and first and second trimester prenatal care, post abortion recovery groups, and Bible study services in small groups and individually. In addition, the Organization has an active youth education program presenting abstinence education in public and private schools and youth groups.

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and in accordance with generally accepted accounting principles accepted in the United States of America.

Financial Statement Presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows.

Unrestricted net assets include those assets over which the Board of Directors has discretionary control in carrying out the operations of the Organization. The Organization has elected to report as an increase in restricted net assets any restricted revenue received in the current period for which the restrictions have been met in the current period. Temporary restricted net assets include those, which are subject to a donor restriction and for which the applicable restriction was not met as of the end of the current reporting period. Permanently restricted net assets include those assets which are subject to non-expiring donor restriction, such as endowments. The Organization currently has no permanently restricted net assets.

Comparative Financial Information

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with Generally Accepted Accounting Principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2010, from which the summarized information was obtained. In addition, certain information has been reclassified to conform to the current year standards.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all cash accounts regardless of maturity to be cash.

CRISIS PREGNANCY CENTERS OF SANTA CLARA COUNTY
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011

Donations Receivable

Donations receivable, less an allowance for uncollectible amounts, are recognized as support and revenue in the period earned and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. The Organization considers all donations receivable to be fully collectible; accordingly, no allowance for doubtful accounts is considered necessary.

Pledges Receivable

Pledges receivable, less an allowance for doubtful amounts, are recorded at their net realizable value and are considered current. Allowances are based on management's specific identification including their experience with the donor and the amount of the total pledge in relation to past pledges received.

Property and Equipment

Property and equipment is capitalized at estimated fair value when donated or at cost when purchased. Property and equipment donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Property and equipment is depreciated using the straight-line method. The Organization's threshold for capitalizing its equipment is \$500.

Accrued Vacation

Accrued vacation represents vacation earned, but not taken as of December 31, 2011, and is included in the statement of financial position. The accrued vacation balance as of December 31, 2011 is \$9,575.

Revenue Recognition

The Organization recognizes support and revenue on the accrual basis of accounting. Revenue from grants which have been classified as "exchange transactions" and program fees are recognized as revenue in the period in which the service is provided.

Contributions

Contributions are reported in accordance with ASC 958 (formerly SFAS No. 116, *Accounting for Contributions Received and Contributions Made*). Contributions are recognized when a donor makes a pledge to give that is, in substance, an unconditional promise. Contributions are recorded as unrestricted, temporarily restricted, or permanently restricted depending on the nature of donor restrictions and depending on whether the restrictions are met in the current fiscal period. Temporarily restricted contributions are reported as increases in restricted net assets and reclassified to unrestricted net assets when the restriction is met.

In-kind Contributions

Contributions in-kind are recognized in accordance with the provisions of ASC 958 (formerly SFAS No. 116). Donated equipment and other donated goods are recorded at their estimated fair value as of the date of the donation. Contributed services, which require a specialized skill and which the Organization would have paid for if not donated, are recorded at the estimated fair value at the time the services are rendered. The Organization also receives donated services that do not require specific expertise but which are nonetheless central to the Organization's operations.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited on the basis of periodic time studies and square footage percentages. Directly identifiable expenses are charged direct to programs or supporting services.

CRISIS PREGNANCY CENTERS OF SANTA CLARA COUNTY
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011

Advertising

The Organization advertises its services on billboards, the yellow pages, television and in local newspapers. All advertising costs are expensed as incurred. Advertising expense for the year end December 31, 2011 is \$38,306.

Income Taxes

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and state income taxes under Section 23701(d) of the California Revenue Taxation Code. Accordingly, no provision for income taxes has been made in the accompanying statements. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) of the Internal Revenue Code and has been classified as an organization that is not a private foundation under Section 509(a)(1) of the Internal Revenue Code. The Organization is considered a publicly supported organization. The Financial Accounting Standards Boards (FASB) interpretation No. 48, *Accounting for Uncertainty in Income Taxes*, subsequently included in the FASB codification as ASC 740 prescribes a recognition threshold and a measurement attribute for financial statement recognition of tax positions taken or expected to be taken on a tax return. Management has evaluated its uncertain tax positions and related income tax contingencies and does not believe any material tax positions exist.
