

Dear Friends of RealOptions,

It's time again to celebrate the gift of LIFE at our annual Walk for Life event on <u>Saturday</u>, <u>March 12, 2022</u>! This event is of key importance to help us continue to provide life-affirming services to women, men, students, and families through our five Bay Area life affirming medical clinics and outreach programs. We encourage you to form church, family, community, or corporate teams.

This year we plan to meet at <u>Martial Cottle Park</u> for the large event, and for those who prefer not to gather in a large outdoor setting, there is the option to <u>choose your own</u> <u>location</u>.

Please note that YOU DO NOT NEED TO BE PRESENT ON THE DAY OF THE EVENT to participate with us. You can register online at <u>www.friendsofrealoptions.net/walk</u> and still raise funds on our FundEasy platform and then walk or run wherever you choose.

We appreciate your partnership and perseverance to continue to stand with us for the most vulnerable in our community. Be sure to take photos with your teams and groups and post to #WFL22 on social media!

I am honored to advance a culture of LIFE with you,

Naterie

Valerie Hill, CEO

## Crowd Fundraising Tips

- Set a goal. Write the number on your pledge form or on your online FundEasy page. Be sure to thank your sponsors after the event!
- **Start your crowdfunding off with a generous personal donation.** Most people will follow the example of the first donation on your form or online fundraising page.
- Dedicate your walk or run to someone who has been touched by RealOptions programs or services a birth mom who gave you the gift of life, your adoptive parents who gave you the gift of a family, a friend that received services from us, a teenager who benefited from a RealTalk presentation, a man or woman who has been healed by a past abortion or miscarriage loss, or a friend or family member who dedicated their time to serving at RealOptions.
- Create a personalized fundraising page that can be connected to your social networking sites and emailed to your friends and family. Use this page like an online pledge sheet to ask for and collect secure donations that are tax deductible. Visit www.friendsofrealoptions.net/walk for the link to set up your fundraising page.
- **Contact everyone who sponsored you last year.** Thank them for their pledge and ask for their support again. Ask for a specific amount, such as \$50 or \$100; if they can't donate that much they will offer what they can. Be sure to direct your sponsors to your FundEasy page!
- Make an announcement or show the short event video at your social club, service club, or a small group. Call our Event Staff at 408-229-9836 to schedule a RealOptions speaker for a short presentation.
- **Be enthusiastic when asking for a gift.** Let people know their support makes a difference in the lives of women, men, students, and families in our community. For patient stories visit our YouTube channel at <u>www.youtube.com/realoptions3</u>.
- Use special occasions. If you have a birthday, anniversary, or other special occasion coming up, ask for pledges in lieu of gifts.

## Sample Sponsor Request Letter for FundEasy

\*Sharing your **Why** is recommended when you ask people to sponsor you. This is an example of one of our "why's":

Dear Family and Friends,

My family and I are honored and privileged to be "On Mission" with RealOptions because we value the gift of life! RealOptions equips and empowers women and men through life-altering decisions.

We are walking in honor of my birth-mom this weekend. She chose life for me at the age of 15 when she found herself in an unplanned pregnancy. She shared with me recently that she not only had the support of her mother but a place to go for help when she needed it the most. What started out as a nightmare ended up changing the trajectory of her life in a positive way while she was pregnant with me! She made an adoption plan for me, got serious about school, improved her grades, and made a decision to go to college during her nine month journey with me. Her courage and sacrificial act of love to give me the gift of a family lives on now through me, my husband, and her two grandsons. We will be forever grateful to her and to my parents who adopted and raised me and for the blessing of life and family.

That is why we are committed to the amazing work that goes on at RealOptions. They provide medical care, support services, and compassion to women like my birthmom and pre-born babies like me. We believe that every life whether planned or unplanned has a purpose. That is why we are asking you to either join our team and raise support for the good work RealOptions is doing through your circle of friends and family or for your tax-deductible donation (sponsor us) to help fully fund RealOptions so that there is a safe place that women and men can turn for medical services and support when they need it the most!

Thank you for sponsoring us and/or joining us at the Walk for Life and 5K Run and for saying "Yes" to the mothers, fathers, students, and children who need your help in the Bay Area! Because every life has purpose and the beauty of possibility!

Register & join our team <u>http://www.friendsofrealoptions.net/walk</u> or sponsor us.

Be Blessed,
